Thanks for your interest in our 2017 Belize tour!

The triplist on the following pages is from a past Field Guides tour covering the same areas we will be visiting in 2017. As you'll see, it has been quite a few years since we've run this particular iteration of our Belize tour (in the intervening years we were running an alternate itinerary). A few things will have changed in the landscape since then, but the large-scale features remain much as they were 10 years ago. The New Lagoon still spans more than 30 miles, studded with herons and egrets and waterfowl. The forests around the ancient Mayan ruins of Lamanai and Caracol are still tall, lush, diverse, and full of birds.

Overall, this list should be a quite accurate representation of what we're likely to find during our tour (with the possible exception of that rather unexpected Solitary Eagle listed), and so this will help you to prepare for the wonderful birding ahead. If you have questions about the list, or the likelihood of finding any particular bird, please don't hesitate to contact our office; they'll pass your queries along to your guide for the 2017 tour, Megan.

—From all of us at Field Guides, good birding!
The 2006 Lamanai, Hidden Valley Inn, & Caracol Tour was a successful venture with quite a few highlights. The tour consisted of stays at Lamanai Outpost Lodge and Hidden Valley Inn. Most of us met up at the airport in Belize where we transferred first by bus to our boat cruise up the New River to the New River Lagoon and Lamanai Outpost Lodge. With Carlos Godoy at the controls, we took our time getting to the lodge under the cover of darkness. Once it was dark, Carlos turned on his spotlight and we saw a variety of wonderful birds before we had even arrived at the dock. Some of these included Agami Heron, Boat-billed Heron, Aplomado Falcon, Gray-necked Wood-Rails, Northern Potoo, Pauraque, and two Yucatan Nightjars. We spent the next few days exploring some of the more interesting habitats around the lodge including the Maya ruins of Lamanai, the pine-oak-palm savanna located to the east of the lagoon, as well as the riverine habitats along the banks. We did a few water excursions that included taking in a wonderful sunset. From Lamanai, we headed southwest to the Cayo district and the Mountain Pine Ridge. Staying at the wonderful Hidden Valley Inn, we visited two spectacular falls in the area, and made a couple of outings to Caracol and the Rio Frio Cave.

The birding was very good with a number of highlights. Twelve species of heron were recorded, with Agami Heron, Boat-billed Heron, and Bare-throated Tiger-Heron among the highlights. Seeing the nesting Jabiru against the backdrop of a Belize sunset was spectacular. We had a good showing of raptors that included Gray-headed Kite, up to six Crane Hawks, both black-hawks AND a Solitary Eagle, as well as a Black Hawk-Eagle. Several Laughing Falcons, a wonderful late afternoon encounter with a Collared Forest-Falcon, hunting pairs of Aplomado Falcon, and a great Orange-breasted Falcon near Thousand Foot Falls. Great Curassow was a spotlight safari treat, and Limpkins were a daily chorus. Memorable were the Gray-necked Wood-Rails so well seen by spotlight as they peered back at us from their overhanging branch. We did really well with parrots, with particular highlights being the Yellow-lobedas we saw out in the savanna, and the Yellow-headeds seen on the river cruise. Owling was a mixed bag, but we saw some nice owls, including the enigmatic Stygian. Northern Potoo and Yucatan Nightjar were other nighttime treats. Hummingbirds were well represented from the tiny Canivet’s Emerald to the flashy Purple-crowned Fairy. We swept the possible trogons, and had nice views of the diminutive Tody Motmot and its larger Blue-crowned cousin. Toss in a Jacamar and two species of Puffbird for good measure. Belize has some pretty wonderful woodpeckers and we saw a few of these. These included the local Yucatan Woodpecker, the colorful Chestnut-colored Woodpecker, and both large, crested ones. We had a respectable showing of the ovenbird-woodcreep clan. Among those, Buff-throated Foliage-gleaner and Scaly-throated Leaftossier were treats. We had a nice showing with Mexican Antthrush (northern form of Black-faced Antthrush) along the trails at Lamanai. Nice views of both manakins were a welcome sight, as well as the peculiar and taxonomically unstable Thrushlike Schifforns. We saw a whole heap of flycatchers (yay!), ranging from the subtle to the visually stunning (think Fork-tailed Flycatcher and Vermilion Flycatcher). A Black Catbird along the banks of Dawson Creek was a treat, this species being largely restricted to a narrow coastal zone and offshore islands. We lucked into a silent Green Shrike-Vireo along the Rio Frio Cave road that was still showing signs of immaturity. There were the always colorful euphonias. Numerous warblers were highlighted by the always striking Gray-throated Chat. The scarcely encountered (by me anyway) Bananquit were sighted at Caracol. Add to that a good showing of Black-throated Shrike-Tanager, and colorful Golden-hooded Tanagers on Mountain Pine Ridge. We also had a stunning view (views really) of an Orange-
billed Sparrow, which seems to glow even when in the shadows. The cardinalids were well represented, with three species of saltators, and some fancy bunting/grosbeaks. Finally, an assortment of orioles and their cousins were a treat, and believe it or not, the pair of Altamira Orioles seen along the Indian Church road was the first I've recorded in the area. It wasn't all birds either, as we did manage to see a few interesting mammals. These included Long-nosed (Proboscis) Bats, Yucatan Black Howlers, Yucatan and Deppe's squirrels, Central American Agouti, and White-nosed Coati.

Thanks to all of you for making the 2006 Lamanai Tour such a treat. On behalf of Jesse and myself, I look forward to seeing you all again on another trip. Good Birding!

List total: 274 bird taxa and 7 mammal taxa
If marked to left of list, * = heard only, I = introduced, E = endemic,
    N = nesting, a = austral migrant, b = boreal migrant

lam06-CB
**Tinamidae**

GREAT TINAMOU (Tinamus major)

**Podicipedidae**

LEAST GREBE (Tachybaptus dominicus)
PIED-BILLED GREBE (Podilymbus podiceps)

**Phalacrocoracidae**

NEOTROPIC CORMORANT (Phalacrocorax brasilianus)

**Anhingidae**

ANHINGA (Anhinga anhinga)

**Fregatidae**

MAGNIFICENT FRIGATEBIRD (Fregata magnificens)

**Ardeidae**

GREAT BLUE HERON (Ardea herodias)
GREAT EGRET (Ardea alba)
TRICOLORED HERON (Egretta tricolor)
LITTLE BLUE HERON (Egretta caerulea)
SNOWY EGRET (Egretta thula)
CATTLE EGRET (Bubulcus ibis)
GREEN HERON (Butorides virescens)
AGAMI HERON (Agamia agami)

One of the highlights of the our first river ride to the lodge, Carlos spotlighted an immature bird for us.

YELLOW-CROWNED NIGHT-HERON (Nyctanassa violacea)

BOAT-BILLED HERON (Cochlearius cochlearius)

Another peculiar heron, this one was seen well during a spotlight cruise and then again by day. Those big eyes assist with its nocturnal foraging.

BARE-THROATED TIGER-HERON (Tigrisoma mexicanum)

LEAST BITTERN (Ixobrychus exilis)

**Ciconiidae**

WOOD STORK (Mycteria americana)

JABIRU (Jabiru mycteria)

Seeing the bird standing on its nest with the dramatic sunset behind was a definite visual highlight.

**Threskiornithidae**

WHITE IBIS (Eudocimus albus)

**Anatidae**

MUSCOVY DUCK (Cairina moschata)

We saw two of these along the edge of the lagoon during one of our outings.

BLUE-WINGED TEAL (Anas discors)

**Cathartidae**

BLACK VULTURE (Coragyps atratus)

TURKEY VULTURE (Cathartes aura)

LESSER YELLOW-HEADED VULTURE (Cathartes burrovianus)

Well seen near the airport, this species is rather similar in appearance to the common Turkey Vulture.

KING VULTURE (Sarcoramphus papa)

Several good studies of this impressive vulture.

**Pandionidae**

OSPREY (Pandion haliaetus)

**Accipitridae**

GRAY-HEADED KITE (Leptodon cayanensis)

Carlos spotted one along the edge of the forest on the Indian Church road.
SNAIL KITE (Rostrhamus sociabilis)  
SHARP-SHINNED HAWK (Accipiter strigatus)  
CRANE HAWK (Geranospiza caerulescens)  
As many as six seen, including great looks at both juvenile and adults.  
COMMON BLACK-HAWK (Buteogallus anthracinus)  
GREAT BLACK-HAWK (Buteogallus urubitinga)  
We had a marvelous study of this species along the New River both perched and in flight.  
SOLITARY EAGLE (Harpymaliaetus solitarius)  
Remarkably, for three years running now, we have encountered this rare species on Mountain Pine Ridge. This year’s was a handsome juvenile bird that we were able to well document, despite the rather dark cloudy conditions at the time.  
GRAY HAWK (Buteo nitidus)  
ROADSIDE HAWK (Buteo magnirostris)  
SHORT-TAILED HAWK (Buteo brachyurus)  
WHITE-TAILED HAWK (Buteo albicaudatus)  
ZONE-TAILED HAWK (Buteo albonotatus)  
BLACK HAWK-EAGLE (Spizaetus tyrannus)  

Falconidae  
LAUGHING FALCON (Herpetotheres cachinnans)  
We had several good studies of this species.  
COLLARED FOREST-FALCON (Micrastur semitorquatus)  
Great views of one who can in to a tree overhead near the old mill at Lamanai. This species has quite a remarkable voice.  
APLOMADO FALCON (Falco femoralis)  
MERLIN (Falco columbarius)  
BAT FALCON (Falco ruficularis)  
ORANGE-BREASTED FALCON (Falco deiroleucus)  
Ricky spotted one nicely for us on the drive into Thousand Foot Falls. This is one of the best areas for this species in northern Central America.  
PEREGRINE FALCON (Falco peregrinus)  

Cracidae  
PLAIN CHACHALACA (Ortalis vetula)  
GREAT CURASSOW (Crax rubra)  
Carlos spotted one of these large cracids during our spotlight safari.  

Aramidae  
LIMPINK (Aramus guarauna)  

Rallidae  
RUDDY CRAKE (Laterallus ruber)  
GRAY-NECKED WOOD-RAIL (Aramides cajanea)  
Fantastic spotlight views of two birds close together on a limb overhanging the river.  

Heliornithidae  
SUNGREBE (Heliornis fulica)  
An all too brief encounter with the elusive species on our morning departure ride from Lamanai.  

Jacanidae  
NORTHERN JACANA (Jacana spinosa)  

Scolopacidae  
WILSON’S SNIPE (Gallinago delicata)  
SOLITARY SANDPIPER (Tringa solitaria)  

Columbidae  
ROCK PIGEON (Columba livia)
PALE-VENTED PIGEON (Patagioenas cayennensis)
RED-BILLED PIGEON (Patagioenas flavirostris)
PLAIN-BREASTED GROUND-DOVE (Columbina minuta)
RUDDY GROUND-DOVE (Columbina talpacoti)
WHITE-TIPPED DOVE (Leptotila verreauxi)

Psittacidae
OLIVE-THROATED PARAKEET (Aratinga nana astec)
WHITE-CROWNED PARROT (Pionus senilis)
YELLOW-LORED PARROT (Amazona xantholora)
  Also known as Yucatan Parrot, we had some great studies of this species in the savanna habitat across the
  lagoon from the lodge.
WHITE-FRONTED PARROT (Amazona albifrons)
RED-LORED PARROT (Amazona autumnalis)
YELLOW-HEADED PARROT (Amazona oratrix)
  We had a couple of encounters with this species with the most memorable being the four birds that eventually
  flew right past us.
MEALY PARROT (Amazona farinosa)
  We encountered a superflock of this species on Mountain Pine Ridge that was close to 100 in number.

Cuculidae
SQUIRREL CUCKOO (Piaya cayana)
GROOVE-BILLED ANI (Crotophaga sulcirostris)

Tytonidae
BARN OWL (Tyto alba)

Strigidae
* GUATEMALAN SCREECH-OWL (Megascops guatemalae)
MOTTLED OWL (Ciccaba virgata)
  Great view of one just in the forest on the road to the Lamanai Ruins. This widespread species is always a treat
  to see.
FERRUGINOUS PYGMY-OWL (Glaucidium brasilianum)
STYGIAN OWL (Asio stygius)
  Fantastic looks at a fantastic bird. Thanks to Ricky and the Hidden Valley Inn staff that keep tabs on the
  roosting locations of this rare species.

Nyctibiidae
NORTHERN POTOO (Nyctibius jamaicensis)
  Nicely spotlighted on the first evening of the trip.

Caprimulgidae
LESSER NIGHTHAWK (Chordeiles acutipennis)
PAURAQUE (Nyctidromus albicollis)
YUCATAN NIGHTJAR (Caprimulgus badius)
  Terrific views of two birds on the first evening of the trip. Lamanai is a great place to see this regional endemic.
  Also heard singing on one evening.

Apodidae
WHITE-COLLARED SWIFT (Streptoprocne zonaris)
VAUX’S SWIFT (Chaetura vauxi)
LESSER SWALLOW-TAILED SWIFT (Panyptila cayennensis)

Trochilidae
WESTERN LONG-TAILED HERMIT (Phaethornis longirostris)
STRIPE-THROATED HERMIT (Phaethornis striigularis)
WEDGE-TAILED SABREWING (Campylopterus curvipennis)
GREEN-BREASTED MANGO (Anthracothorax prevostii)
   Nice studies of this species out in the savanna.
CANIVET’S EMERALD (Chlorostilbon canivetii)
   Another tiny, colorful species seen out in the savanna.
RUFIOUS-TAILED HUMMINGBIRD (Amazilia tzacatl)
BUFF-BELLIED HUMMINGBIRD (Amazilia yucatanensis)
   Nice looks at this species along Dawson Creek on the savanna day.
WHITE-BELLIED EMERALD (Agyrtria candida)
AZURE-CROWNED HUMMINGBIRD (Agyrtria cyanoccephala)
PURPLE-CROWNED FAIRY (Heliothryx barroti)
RUBY-THROATED HUMMINGBIRD (Archilochus colubris)

_Trogonidae_
BLACK-HEADED TROGON (Trogon melanocephalus)
VIOLACEOUS TROGON (Trogon violaceus)
COLLARED TROGON (Trogon collaris)
SLATY-TAILED TROGON (Trogon massena)

_Alcedinidae_
BELTED KINGFISHER (Ceryle alcyon)
RINGED KINGFISHER (Ceryle torquatus)
GREEN KINGFISHER (Chloroceryle americana)
AMERICAN PYGMY KINGFISHER (Chloroceryle aenea)

_Momotidae_
TODY MOTMOT (Hylomanes momotula)
BLUE-CROWNED MOTMOT (Momotus momota)

_Galbulidae_
RUFIOUS-TAILED JACAMAR (Galbula ruficauda)

_Bucconidae_
WHITE-NECKED PUFFBIRD (Notharchus macrorhynchos)
WHITE-WHISKERED PUFFBIRD (Malacoptila panamensis)

_Ramphastidae_
EMERALD TOUCANET (Aulacorhynchus prasinus)
COLLARED ARACARI (Pteroglossus torquatus)
KEEL-BILLED TOUCAN (Ramphastos sulfuratus)

_Picidae_
ACORN WOODPECKER (Melanerpes formicivorus)
BLACK-CHEEKED WOODPECKER (Melanerpes pucherani)
YUCATAN WOODPECKER (Melanerpes pygmaeus)
GOLDEN-FRONTED WOODPECKER (Melanerpes aurifrons)
YELLOW-BELLIED SAPSUCKER (Sphyrapicus varius)
* LADDER-BACKED WOODPECKER (Picoides scalaris)
GOLDEN-OLIVE WOODPECKER (Piculus rubiginosus)
CHESTNUT-COLORED WOODPECKER (Celeus castaneus)
LINEATED WOODPECKER (Dryocopus lineatus)
PALE-BILLED WOODPECKER (Campephilus guatemalensis)

_Furnariidae_
RUFIOUS-BREASTED SPINETAIL (Synallaxis erythrothorax)
PLAIN XENOPS (Xenops minutus)
BUFF-THROATED FOLIAGE-GLEANER (Automolus ochrolaemus)
SCALY-THROATED LEAFTOSSER (Sclerurus guatemalensis)

**Dendrocolaptidae**
TAWNY-WINGED WOODCREEPER (Dendrocincla anabatina)
RUDDY WOODCREEPER (Dendrocincla homochroa)
OLIVACEOUS WOODCREEPER (Sittasomus griseicapillus)
IVORY-BILLED WOODCREEPER (Xiphorhynchus flavigaster)
STREAK-HEADED WOODCREEPER (Lepidocolaptes souleyetii)

**Thamnophilidae**
BARRED ANTSHRIKE (Thamnophilus doliatus)
PLAIN ANTVIREO (Dysithamnus mentalis)
DOT-WINGED ANTWREN (Microrhopias quixensis boucardi)
DUSKY ANTBIRD (Cercomacra tyrannina)

**Formicariidae**
MEXICAN ANTTHRUSH (Formicarius moniliger)

**Pipridae**
WHITE-COLLARED MANAKIN (Manacus candei)
RED-CAPPED MANAKIN (Pipra mentalis)
THRUSH-LIKE SCHIFFORNIS (Schiffornis turdinus)

**Tyrannidae**
YELLOW-BELLIED TYRANNULET (Ornithion semiflavum)
NORTHERN BEARDLESS-TYRANNULET (Camptostoma imberbe)
GREENISH ELAENIA (Myiopagis viridicata)
YELLOW-BELLIED E LAENIA (Elaenia flavogaster)
OCHRE-BELLIED FLYCATCHER (Mionectes oleagineus)
SEPIA-CAPPED FLYCATCHER (Leptopogon amaurocephalus)
NORTHERN BENTBILL (Oncostoma cinereigulare)
SLATE-HEADED TODY-TYRANT (Poecilotriccus sylvia)
COMMON TODY-FLYCATCHER (Todirostrum cinereum)
EYE-RINGED FLATBILL (Rhyynchocyllus brevirostris)
YELLOW-OLIVE FLYCATCHER (Tolmomyias sulphurescens)
STUB-TAILED SPADEBILL (Platyrrinchus cancrominus)
NORTHERN ROYAL-FLYCATCHER (Onychorhynchus mexicanus mexicanus)
SULPHUR-RUMPED FLYCATCHER (Myiobius sulphureipygius sulphureipygius)
OLIVE-SIDED FLYCATCHER (Contopus cooperi)
EASTERN WOOD-PEWEE (Contopus virens)
TROPICAL PEWEE (Contopus cinereus)
YELLOW-BELLIED FLYCATCHER (Empidonax flaviventris)
LEAST FLYCATCHER (Empidonax minimus)
BLACK PHOEBE (Sayornis nigricans)
VERMILION FLYCATCHER (Pyrocephalus rubinus)
BRIGHT-RUMPED ATTLA (Attila spadiceus)
RUFOUS MOURNER (Rhytipterna holerythra)
DUSKY-CAPPED FLYCATCHER (Myiarchus tuberculifer)
GREAT CRESTED FLYCATCHER (Myiarchus crinitus)
GREAT KISKADEE (Pitangus sulphuratus)
BOAT-BILLED FLYCATCHER (Megarhynchus pitangus)
SOCIAL FLYCATCHER (Myiozetetes similis)
TROPICAL KINGBIRD (Tyrannus melancholicus)
COUCH’S KINGBIRD (Tyrannus couchii)
FORK-TAILED FLYCATCHER (Tyrannus savana)
WHITE-WINGED BECARD (Pachyramphus polychropterus)
  This species has undergone a northward expansion into Belize in the last decade.
ROSE-THROATED BECARD (Pachyramphus aglaiae)
MASKED TITYRA (Tityra semifasciata)

**Hirundinidae**
TREE SWALLOW (Tachycineta bicolor)
MANGROVE SWALLOW (Tachycineta albilinea)
NORTHERN ROUGH-WINGED SWALLOW (Stelgidopteryx serripennis)
CLIFF SWALLOW (Petrochelidon pyrrhonota)
BARN SWALLOW (Hirundo rustica erythrogaster)

**Bombycillidae**
CEDAR WAXWING (Bombycilla cedrorum)
  Two of these were present briefly in Douglas de Silva.

**Troglodytidae**
BAND-BACKED WREN (Campylorhynchus zonatus)
SPOT-BREASTED WREN (Thryothorus maculipectus)
PLAIN WREN (Thryothorus modestus)
(SOUTHERN) HOUSE WREN (Troglodytes aedon musculus)
WHITE-BELLED WREN (Uropsila leucogastrica)
WHITE-BREASTED WOOD-WREN (Henicorhina leucosticta)

**Mimidae**
GRAY CATBIRD (Dumetella carolinensis)
BLACK CATBIRD (Melanoptila glabrirostris)
  Nice views of one near the landing site along Dawson Creek.
TROPICAL MOCKINGBIRD (Mimus gilvus)

**Turdidae**
WOOD THRUSH (Hylocichla mustelina)
CLAY-COLORED ROBIN (Turdus grayi)

**Polioptilidae**
LONG-BILLED GNATWREN (Ramphocaenius melanurus)
BLUE-BROWN GNATCATCHER (Polioptila caerulea)
TROPICAL GNATCATCHER (Polioptila plumbea)

**Corvidae**
GREEN JAY (Cyanocorax yncas)
BROWN JAY (Cyanocorax morio)
YUCATAN JAY (Cyanocorax yucatanicus)

**Vireonidae**
WHITE-EYED VIREO (Vireo griseus)
MANGROVE VIREO (Vireo pallens)
YELLOW-THROATED VIREO (Vireo flavifrons)
PLUMBEOUS VIREO (Vireo plumbeus)
TAWNY-CROWNED GREENLET (Hylophilus ochraceiceps)
LESSER GREENLET (Hylophilus decurtatus)
GREEN SHRIKE-VIREO (Vireolanius pulchellus)
RUFOUS-BROWED PEPPERSHRIKE (Cyclarhis gujanensis)

**Fringillidae**
SCRB EUPHONIA (Euphonia affinis)
YELLOW-THROATED EUPHONIA (Euphonia hirundinacea)
OLIVE-BACKED EUPHONIA (Euphonia gouldi)

**Parulidae**
BLUE-WINGED WARBLER (Vermivora pinus)
GOLDEN-WINGED WARBLER (Vermivora chrysoptera)
TENNESSEE WARBLER (Vermivora peregrina)
NORTHERN PARULA (Parula americana)
YELLOW WARBLER (Dendroica petechia)
CHESTNUT-SIDED WARBLER (Dendroica pensylvanica)
MAGNOLIA WARBLER (Dendroica magnolia)
YELLOW-RUMPED (MYRTLE) WARBLER (Dendroica coronata coronata)
BLACK-THROATED GREEN WARBLER (Dendroica virens)
YELLOW-THROATED WARBLER (Dendroica dominica)
GRACE'S WARBLER (Dendroica graciae)
BLACK-AND-WHITE WARBLER (Mniotilta varia)
AMERICAN REDSTART (Setophaga ruticilla)
WORM-EATING WARBLER (Helmitheros vermivorus)
OVENBIRD (Seiurus aurocapilla)
NORTHERN WATERTHRUSH (Seiurus noveboracensis)
KENTUCKY WARBLER (Oporornis formosus)
COMMON YELLOWTHROAT (Geothlypis trichas)
GRAY-CROWNED YELLOWTHROAT (Geothlypis poliocephala)
HOODED WARBLER (Wilsonia citrina)
WILSON'S WARBLER (Wilsonia pusilla)
GOLDEN-CROWNED WARBLER (Basileuterus culicivorus culicivorus)
RUFOUS-CAPPED WARBLER (Basileuterus rufifrons)
YELLOW-BREASTED CHAT (Icteria virens)
GRAY-THROATED CHAT (Granatellus sallaei)

**Coeridiae**
BANANAQUIT (Coerea flaveola)

**Thraupidae**
GRAY-HEADED TANAGER (Eucometis penicillata)
BLACK-THROATED SHRIKE-TANAGER (Lanio aurantius)
RED-CROWNED ANT-TANAGER (Habia rubica)
RED-THROATED ANT-TANAGER (Habia fuscicauda)
HEPATIC TANAGER (Piranga flava)
SUMMER TANAGER (Piranga rubra)
CRIMSON-COLLARED TANAGER (Ramphocelus sanguinolentus)
PASSERINI'S TANAGER (Ramphocelus passerinii)
BLUE-GRAVY TANAGER (Thraupis episcopus)
YELLOW-WINGED TANAGER (Thraupis abbas)
GOLDEN-HOODED TANAGER (Tangara larvata)
RED-LEGGED HONEYCREEPER (Cyanerpes cyaneus)

**Emberizidae**
BLUE-BLACK GRASSQUIT (Volatinia jacarina)
VARIABLE SEEDEATER (Sporophila corvina)
WHITE-COLLARED SEDEATER (Sporophila torqueola)
THICK-BILLED SEED-FINCH (Oryzoborus funereus)
YELLOW-FACED GRASSQUIT (Tiaris olivacea)
ORANGE-BILLED SPARROW (Arremon aurantirostris)
GREEN-BACKED SPARROW (Arremonops chloronotus)
BOTTERI’S SPARROW (Aimophila botterii petenica)
RUSTY SPARROW (Aimophila rufescens)
GRASSHOPPER SPARROW (Ammodramus savannarum)

**Cardinalidae**
BUFF-THROATED SALTATOR (Saltator maximus)
BLACK-HEADED SALTATOR (Saltator atriceps)
BLACK-FACED GROSBEAK (Caryothraustes poliogaster)
NORTHERN CARDINAL (Cardinalis cardinalis)
ROSE-BREASTED GROSBEAK (Pheucticus ludovicianus)
BLUE BUNTING (Cyanocompsa parellina)
BLUE-BLACK GROSBEAK (Cyanocompsa cyanoides)

**Icteridae**
RED-WINGED BLACKBIRD (Agelaius phoeniceus)
MELODIOS BLACKBIRD (Dives dives)
GREAT-TAILED GRACKLE (Quiscalus mexicanus)
BRONZED COWBIRD (Molothrus aeneus)
YELLOW-BACKED ORIOLE (Icterus chrysater)
YELLOW-TAILED ORIOLE (Icterus mesomelas)
ALTAMIRA ORIOLE (Icterus gularis)
Two seen along the Indian Church road near Lamanai were the first that I have seen in this area.
HOODED ORIOLE (Icterus cucullatus)
BALTIMORE ORIOLE (Icterus galbula)
ORCHARD ORIOLE (Icterus spurius)
BLACK-COWLED ORIOLE (Icterus prosthemelas)
YELLOW-BILLED CACIQUE (Amblycercus holosericeus)
MONTEZUMA OROPENDOLA (Gymnostinops montezuma)

**Mammals**
LONG-NOSED BAT (Rhynchonycteris naso)
FISHING BAT SP. (Noctilio leporinus)
YUCATAN HOWLER MONKEY (Alouatta pigra)
YUCATAN SQUIRREL (Sciurus yucatanensis)
DEPPE’S SQUIRREL (Sciurus deppei)
CENTRAL AMERICAN AGOUTI (Dasyprocta punctata)
WHITE-NOSED COATI (Nasua narica)
